Re: Housing Guidelines with activity- specific guidelines Approval

Dear Mr. Diggles:

Thank you for submitting Deep East Texas Council of Governments (DETCOG) Round 2 Housing Guidelines with activity-specific guidelines related to Single Family Homeowner Program Guidelines, Homebuyer Assistance Program Guidelines, and Rental Housing Program Guidelines for approval on February 1, 2013. The Texas General Land Office has reviewed the Guidelines and determined that the DETCOG's Round 2 Housing Guidelines with the activity-specific guidelines comply with the Conciliation Agreement, Round 2 Housing Guidelines and HOP Guidelines. Therefore, all Guidelines are approved as of the date of this letter.

DETCOG has satisfied the requirements outlined under Article 4- Grant Administration, Submission-Generally 4.01 (A) Housing Guidelines, in contract number 12-476-000-6641 for the owner occupied activities and homebuyer assistance activities and contract number 12-471-000-6635 for the rental housing activities which requires DETCOG to provide a copy of the Guidelines for GLO review and approval prior to awarding assistance under the terms of the Contract and prior to GLO's release of funds for such activities. The approved Guidelines must be posted on DETCOG website throughout program administration.

DETCOG must administer its housing program according to the approved Guidelines. If additional changes become necessary during the administration of the program, DETCOG must submit a revised version of the Guidelines to GLO for review and approval.
